

Meno Consulting to Present for BAEE (South America)

Morgantown, W.Va., October 6, 2009 - Meno Consulting is pleased to formalize a relationship for the Buenos Aires Expat Entrepreneurs (BAEE). Meno Consulting will be presenting on Entrepreneurial Leadership via webinar on Tuesday, October 6.

The BAEE is an exclusive group of expatriate entrepreneurs based in Argentina who regularly come together to share successes and challenges of starting and running a company in Argentina. “Founding and leading a company in the US is hard enough; trying to do so in a foreign country presents unique challenges, and the ability to successfully navigate through those challenges can be the difference between success and starting over,” says Dan Leidl, PhD, Managing Partner for Meno Consulting.

Meno Consulting represents a progressive approach to consulting services for corporate, non-profit, and athletic organizations, focusing on the surfacing of existing potential. The primary mission of Meno Consulting is to optimize individual and organizational performance through the promotion of effective leadership.
