

**Meno Consulting Presents Organizational Analysis Findings
To the Irish Lacrosse Foundation**

Morgantown, W.Va., February 2, 2010 – Research conducted by Meno Consulting Managing Partner Dan Leidl, PhD, was presented at the Irish Lacrosse Foundation (ILF) Board meeting, which coincided with the annual US Lacrosse Convention in Baltimore, MD.

Through assessments involving ILF Board Members, Leidl reported on progress and satisfaction regarding the advancement of the ILF mission, along with key objectives of the ILF such as networking and marketing, and fundraising. Leidl concluded that the Irish Lacrosse Foundation is poised to continue its current efforts while working to begin creative new ones that focus on fundraising and the further development of lacrosse in Ireland.

Leidl, who is also heavily involved in the Irish Lacrosse Foundation as both a coach and a player, suggested “their willingness to critically assess themselves speaks volumes about a genuine commitment to their own growth and the advancement of lacrosse throughout Ireland.”

The Irish Lacrosse Foundation is committed to developing the sport of lacrosse in Ireland, to raise funds for the continuing development of the sport of lacrosse in Ireland, and to generally support, encourage, and promote the sport of lacrosse in Ireland.

Meno Consulting represents a progressive approach to consulting services for corporate, non-profit, and athletic organizations, focusing on team and leadership development. The primary mission of Meno Consulting is to optimize individual and organizational performance through the promotion of effective teams and leaders.
